

Dear Grocery Manager,

Hello, my name is _____. I am a regular at your store and I'd like to request you carry the Simple Girl line of all natural & sugar-free products.

Most Simple Girl products are:

- Sugar-Free
- All-Natural
- 5 Cal or Less
- Vegan
- Fat-Free
- Actually Delicious!

Plus, the company has strong social media presence and hundreds of followers searching for retailers where they can buy in-person each month! So your store will benefit from their online work and word of mouth.

The line was created for those people looking for clean, healthy ingredient lists all while actually keeping great taste as their top priority. Their salad dressings and BBQ sauces are perfect for any diet or lifestyle!

I've circled the items I love below:

Dressings:

Sweet Vinaigrette Dressing
Sweet Mustard Dressing
Citrus Ginger Dressing
Balsamic Vinaigrette Dressing

Sauces:

Carolina BBQ Sauce
Sweet 'N' Spicy BBQ Sauce
Hot Sauce

Spices:

Southwest
Chef's Hot Pepper
Lemon Herb
All-Purpose

Sea Salt
Sweet & Hot Louisiana
Steak Seasoning

I'd love if you started carrying these. To set up a retail account or ask any questions about their products and pricing feel free to call (844-834-8144) or email their Simple Girl Wholesale team at info@simplegirl.com.
